WELCOME TO

FAITH CHURCH HIGHLAND!

Thank you for checking out the Faith Highland information. We would be honored to have you join us for one of our services, to attend one of our special events, to explore a specific ministry, or to meet a new group of people. We desire to be a church that loves God and loves all the people in our community! If there are other ways in which we can be of service to you, or if you have questions about Faith Highland, please let us know!

This ministry exists to help people with special needs grow in their relationship with Jesus at their own level and be enfolded into the church community. Small groups and accessible/inclusive classrooms are vital to this ministry.

GROW

As followers of Jesus, we are striving to grow in our relationship with Him daily. When we are a part of an intentional community with others, we grow in our faith and in our relationships - to know others and to be known.

See the Care & Connections page (20/21) of The Paper for more ways to connect.
