

Faith Church in Dyer, Indiana is looking to add a talented individual to our story!

We are seeking a **Full Time Kids Program Director and Resource Coordinator** for our Special Needs Ministry! This individual will work closely with our Dyer ministry team and the Special Needs Families across campuses. Faith Church, one church with five locations, is a Bible-believing, outreach-oriented community of believers committed to changing the world one relationship at a time. Check us out at wearefaith.org!

The **Unique role** will plan Bible lessons for kids, maintain and contribute to the family resource center, work on special events and collaborate with the team to bring the gospel, provide discipleship and create a sense of belonging for those with special needs and their families.

The ideal candidate will be passionate and committed to serve the Special Needs Community in order to accomplish the vision and mission of sharing the gospel, promoting inclusion and supporting the families of people with special needs. We are seeking a collaborative, adaptable, teachable, and passionate individual with a demonstrated ability to interact professionally with people of various developmental levels and with volunteers, family members and our care pastors. This role will be responsible for:

- Plan modified Bible lessons, crafts, games, singing, and other interactive activities
- Lead the kid's classroom and schedule and empower volunteers
- Plan and participate in kid's special events
- Collaborate and support families of kids within the Special Needs Ministry at Faith Church Dyer
- Collaborate with team members to develop, assess and grow the Special Needs Ministry
- Research, organize and maintain a Care & Resource database containing referrals and information for families
- Communicate and collaborate with Faith Church Pastoral Care Team in order to provide needed care and support to the families of Special Needs participants
- Field inquiries from the Faith Church families, community requests and work with first responders regarding care and resources

Required Experience: Possesses knowledge and/or education of principles and practices of disability ministry. Hands on experience interacting with persons with developmental disabilities and planning activities.

Qualifications:

- Personal commitment to the Lordship of Jesus Christ
- Mature faith and steadfast character
- Reliance on the authority of Scripture and prayer
- Sense of calling to an "equipping of the saints"
- Knowledge of ministry to those with special needs
- Computer skills
