God has created each one of us with unique gifts and talents. When we use those gifts to serve others, we become Participants in God's plan to transform the world. Lives are changed-not just the lives of those we help but also our own. When we do what God designed us to do and when we love others the way God loves us, we get closer to being who God intended us to be. Get connected serving at WeAreFaith.org/serve

GO

We believe in the importance of both local and global missions. Serving our communities and our friends around the world is our way of carrying out the mission of transforming the world one relationship at a time. Visit WeAreFaith.org/go for serving opportunities.
